H&I REPORT

The meeting opened in the usual manor. (Late) Four area's were represented. Under Old Business: We would like to Thank P.I. for working and completing the letter that goes with the Basic Text to the County Jails. We also recieved 35 Basic Text and these were passed out. We are STILL in need of a Co-Chair. New Business: It was discussed and tabled on the contact list that we once had. This is going to go back to Areas to see if there is a need. We are going to be asking for money for another 35 Basic Text, which comes to \$299.60. (If can be done at this RSC) Dan Mason

LITERATURE REPORT

Regional Lit Report: Al D. opened the meeting in the traditional manner. Areas represented were Central Kansas, Fellowship for Freedom, Just For Today, Oz Area and Western Area. Jerry S. Litature Chair was not present, but sent a letter stating that her term had expired and the chair position was up for election. Amotion was made for Al D. (Literature Co-Chair) to move to the chair position. M/S/P. Discussion was held on the Newsletter statis. And Nate F. was elected as the new Newsletter Editor. There were no nominations for Newsletter Co-Editor, so ASRs need to make your areas and groups aware of this vacancy. The revised draft of 1P # 18 "For Those in Treatment" was read, discussed and motioned for approval. M/S/P Issues on the Basic Text were discussed and will be followed up on as materials are make available. There was \$15.00 worth of service manuals sold. Grateful to serve Al.

ACTIVITIES COMMITTEE REPORT

If the region votes to have a spiritual retreat, then we will get together and find a place that will accomodate 60-100 people. WE have lots of options available and will be looking for the most reasonable place to have it. We cancelled having the regional dance unless we start meeting in one location. We also decided May would be too early and Sept. would be an appropriate time to have a spiritual retreat. Wind down and get back in touch. Glenn S. Chair.

PI REPORTS CONT.

Unity PI Report: Our Area has been continueing its goal for this year, which is PI. We have narrowed the effort down to education, medical, &/or government. The area groups are to compile a list of 10 focal points within th groups immediate area. We are very positive about this PI effort over past PI efforts because all groups represented at the ASC have PI handbooks. We will meet in March at the ASC to draft a letter: IP's to enclosed: & a return postcard (stamped for further information). Also at that ASC we will mail the above to the 10 local points provided by groups. We will continue to keep the region informed of this. Yours in Unity, Recovery, Service J.C.

Central Ks. Area: Since our last report the CKA has printed our area meeting list. We have started our flyer project (updated and putting up new flyers). In March, PI and H&I are having a fundraiser in Larned to finance a mailing project to junior high and high school counselors. Pamphlets to be used will be "Am I an Addict?", "Youth and Recovery", and "Who, What, How, and Why". Cliff Mock, CKA PI Chair

Western Kansas Area PI Report: Lots of activity is going on with PI. Recently we had two local members appear on a local TV station. They had considerable clean time and it went well. Copies of the tape will be available. Area meeting lists are out with contacts & phonelines on them. We had a PI workshop at a Christmas Dance and got a lot of helpful suggestions. PI, H&I Handbook are being purchased for area PI & Group PI's. With continued support & action. Public Information will grow and possibly help another addict find recovery ! In Loving Service Alan F.

Wichita Metro Area: We are doing fine. We're presently working on several things. On 2-17-91 at 2:00 p.m. at 246 N. Emporia, we're having a workshop on Learning Days. I would like to have support or give support for PI Efforts. If given enough notice, I'm sure I could get some people together to help you in your efforts. I would like to have the names, addresses, and phone numbers of Area PI Chairs and co-chairs for communication purposes. I'm including my name, address and phone number. POLICY COMMITTEE REPORT

TO: MARSCNA

FROM: Marci Magee, outgoing Policy Chair

I hope you all will accept my sincerest apologies for not making it at 8:00 this morning. Circumstances beyond my control forced me to get started about 2 hours late. However, the only thing I really had on the agenda was the election of a new chairperson, and that can be dealt with at the RSC. When we last met, we had planned to work on budget guidelines today, but since someone planned a workshop on that tomorrow, I guess it can just wait. I do have a couple of other things. IN the Policy motions that will be voted on at the RSC, I omitted the requirements for Policy Vice-chair in the copy of the motions I sent to the RSC secretary. I would like those to be sent back today as my last official act as Policy Chair! (Maybe I left out Vice-chair because this committee can't seem to keep one!) The other thing is that as far as I know, no one has gone through the old minutes for policy motions. If I am wrong and some of you did go through the minutes, please give these motions to Warren. If not I'll go through them all and have a booklet ready for the next chairperson. Also, how many copies of the policy guidelines would the region like? I still have approximately \$30.00 of Regional Funds to take care of the copying costs. Well it has been fun guys, but since I was elected in August of 1989, I think it's time to pass it on! I'm sorry I can't be with you this afternoon, but I have fences to mend at home! Literally!! Thanks for letting me serv

PO BOX REPORT

Jeff read letter from WSO about Basic Text 1-5.

AREA REPORTS

Wichita Area: Our area is going ok. We had talk about a area inventory. But some of the groups wanted to do a group inventory, first. There has been some groups that have done this. We are still growing. We have a new group that joined our area. They will be on our phone line and help line next month. Spiritual & Free Sat Night. In our area we had members and newcomers that is asking about non-smoking group. In our area we voted befor the area starts if it is to be smoking or nonsmoking. We have done this for the last few months. There has been more non-smokers, then smokers at the area so they still smoke. We will be having a Labor Day Campout as a area this year. It will be around Ark City, flyers will be out. We are also looking into area insurance this was talked about after there was some concern about children being left at our dances. Curtis is our new campout chair. Janice is our secretary. We need a Co-chair for the area and a co-chair for literature and a PI Chair. We voted for a spiritual retreat? Yes, Multi-Learning Day? Yes. Regional Meeting to be central location. No. This will be my last RSC meeting as the ASR of Wichita Area Thank you for letting me be a part of the regional. In loving service, Anita J. P.S. Wichita Metro Area said we could have a Multi-Regional Learning Day in Wichita.

Western Kansas Area: The Western Kansas Area is alive and well. Several groups had anniversaries this month which is a good sign that N.A. lives and continues to grow in our area. Literature is being ordered at a rapid pace but it seems we never have enough. For example Policy is a big hang up for us because we can't seem to get it out of the closets and dusted off. H&I is strong with usual meetings. PI is big now. We recently had two local members do a P.I. spot on TV & Radio. It went very well. A copy is being sent to the WSO. We are glad to announce the Dodge City Fellowship 2nd Annual NA Roundup. Flyers are out. We also purchased 7 CARS and are having a CAR Workshop in Garden City April 13, at 1:00. In Loving Service, Alan F.

Central Ks Area: Recovery in the Central Ks. Area is on the move. There have been several position changes take place in our are and all positions have been filled. The P.I., H&I, Literature and Activities have all been active in service. It seems that meetings in our area have been picking up in attendance but struggling with fund flows. There are serveral activities planned to help remedy this problem. There is work being done on the phoneline so that all groups in the area are included. Due to our area being low on funds, we are only able to donate \$40.00 to the region at this time. Grateful to serve Al D. CKAASR

AREA REPORTS CONT.

Unity Area Report: We are continuing in our PI efforts, which is the Unity Area's primary focus for the year. We have chosen to target Education, Governmental and Medical areas. Every group involved in the area can target ten organizations which we are sending a letter with a postcard to introduce ourselves and let them know about us. If the organizations want more information we will try to satisfy their needs. In this effort we are trying to follow the suggested procedures from the PI handbook. On Feb. 2 the Unity Area had a free dance in Abilene to celebrate their one year birthday. We have made a policy to have two free area dances a year and one fund raiser for either the Region or the World. This year's fundraiser will be May 4. We have a new H&I Chairperson. Thus strengthening our service committee. There are a lot of positives happening, we are working together putting principles before personalities, which gives me confidence that we can also do this at the Regional Level. This is my last RSC as the representative for the Unity Area. I would like to thank everyone not only at the area but regional level for their patience and tolerance. I'm extremely grateful to the fellowship for my personal growth in the last year. In Service Jeffrey P. Unity ASR

OZ Area: We have been growing in numbers by a significant number in Scott City and Leoti. This is partly due to the state taking a group conscience and sending us the ones they feel have problems. We hope we are planting the seeds of recovery. We've been slowly getting members to accept service positions, so hopefully area meetings will be more productive. Our meetings are ranging from 9-30 members in attendance. For us this is favulous. Also some financial problems have been straightened out. There's good caring and sharing going on. Things are looking up in Oz. We're following the yellow brick road to recovery. Yours in service, Casey L. ASR Oz Area.

Just For Today Area: Attendance is up at area meetings, and we are finally getting some vacant positions filled. Joyce H. is our new secretary. Deb M. is our new H&I chair. Laurie K. is our literature chair. We voted to centralize our meetings to Ottawa. Thanks to the Alive N Kickin group we have a facility available on the OU campus. We had a H&I workshop before business last week and passed out H&I handbooks. Emporia is planning a St. Patty's Day Dance as a convention fundraiser, March 16. Flyers are available. Paola is planning to combine with Olathe to hold a dance on April 20. Flyers will soon be mailed out. Emporia also has their campout date set for June 14-16 at Camp Alexander. In Loving Service Pete O.

AREA REPORTS CONT.

Fellowship For Freedom: Dear Fellowship, Since the last RSC Meeting our area has held several activities and witnessed the re-birth of our H&I. Committee. At our December area meeting a brave addict named Tobey reminded our area members of our primary purpose, which is not to dance and have t-shirts. The result of Tobey's concerned comments was the re-birth of H&I committee in our area. The H&I Committee still needs help, they have started no new meetings or revided old ones, but have genorated interest in our area. Our PI committee survies in name only thanks to John S. We had a Christmas Dance December 22, 1990 which netted the area \$9.34. The United Survivors Group had it's 14th anniversary on Feb. 9, 1991, which was a big success for our area and the group. The United Survivors Group has survived as the oldest NA meeting still meeting in the same place in the state of Kansas or the Mid-west and we are proud of this fact. Our next area event is a Generic Dance on March 2, 1991. The Fellowship for Freedom Area Campout , June 28, 29, and 30th at Shawnee Lake. We need support for our campout, which at this point is lacking. At our last area meeting Feb. 3, 1991 the area voted to have an inventory. Maybe this will help. Motivation to attend RSC in our area is completely lacking. Yours Truly, Don Coleman.

To MID AMERICA REGION

From; Warren Jackson Ait RSR

As we approach this RSC I wonder how prepared we are to send our representatives to the WSC. Having read the Conference Agenda Report, this promises to be a very productive conference. The conference is supposed to flow with much open and frank discussion about the major issues facing N.A. for the coming years. I am humbled at the depth and scope of the items to be brought to the WSC floor. We are a fellowship that is growing and maturing rapidly. The new Guide to Service and the 12 concepts that are currently in the approval process will change the way N.A. does business. With this in mind, I would like to make some observation but more importantly raise some question in regards to our area, region and NA as a whole.

1. The baby Blue Basic Text.

I am sure most of you are aware that a compromise was reached and that there will be 3 motions on the floor of the WSC. Once again NA as a whole can chose which edition of the Basic Text will carry our message of hope. It is my hope that if the motion passes, most groups will take the time to review the choices and make a decision. Also, I feel our fellowship owes the judge a debt of gratitude. I would suggest that we keep his comments in mind whenever we have a major disagreement. However our Basic Text says it best "As long as the ties that bind us together are stronger than thoes that would tear us apart, all will be well."

2. The CAR

What will our conscience be? How did we get it? Does our region and areas have a system in place to provides input, guidance and enough time to ask question, to arrive at an informed decision. Is this the best we can do?

There are several items in the CAR for approval that we have had little or no involvement with, IP For Those in Treatment, P.I. and the NA members and NA A Resource in Your community. This situation brings to mind the question why ^{our} subcommittee' tracking these projects at the World Service level.

3. Random thoughts in passing.

Would this region support a service learning day from group, area, region, and World level to explain How Our Service Works?

Hey, how about this two day regional. Maybe we can get into some far reaching discussion about how to better carry the message to the addict who still suffers.

The convention committee is working very hard to have a very spiritually moving celebration of recovery. As the convention approaches they will be meeting more often to make the event a success My gratitude goes out to these people.

I have been reading the minutes of the area meetings with much interest. If the minutes reflect ~~the~~ where these areas are at, we are all going through the same old thing, not enough support, people who go to many 12 step groups but have loyalty to none. This list could go on forever but other than being powerless, the only solution I know of is the NA WAY.

If a area or group have any question about the CAR call me at 316-832-0475 or leave a message on the Helpline at 316-832-9441.
