God, grant me the serenity to accept the things I cannot change, the courage to change the things I can, and the wisdom to know the difference.

My gratitude speaks, when I care, and when I share with others, the NA way.

The first step of recovery is to stop using. We cannot expect the Program to work for us if our minds and bodies are still clouded by drugs. We can do this anywhere, even in prison or an institution. We do it anyway we can , cold turkey or in a detox, just as long as we get clean.

What is our message?

**The message is that an addict,
any addict, can stop using drugs,
lose the desire to use,
and find a new way to live.
Our message is hope
and the promise of freedom.**
