We Do Recover

When at the end of the road we find that we can no longer function as a human being, either with or without drugs, we all face the same dilemma. What is there left to do? There seems to be this alternative: either go on as best as we can to the bitter ends – jails, institutions or death - or find a new way to live. In years gone by, very few addicts ever had this last choice.

Those who are addicted today are more fortunate. For the first time in man’s entire history, a simple way has been proving itself in the lives of many addicts. It is available to us all. This is a spiritual – not religious – program, known as Narcotics Anonymous.

Serenity Prayer

God, grant me the serenity
To accept the things
I cannot change,
The courage to change
The things I can,
And the wisdom
To know the difference.

Gratitude Statement

My gratitude speaks...
When I care and when I share
With others the NA way.

Third Step Prayer

Take my will and my life,
Guide me in my recovery,
And show me how to live.
